

Year 5 2018-2019 Information

Welcome to Year 5. Year 5 students are entering the final phase of primary school and are working harder than ever to become more independent learners. Here is some information to help them along their way.

Reading Books: Reading books need to be handed in on a Tuesday and Thursday morning so that Mrs O'Neill can check/change books accordingly. Your child needs to read regularly at home and should have their reading record signed by an adult.

Homework: The children are given homework on a Monday; which are then collected on the Friday. Spellings will be tested on Friday alongside multiplications. Reading homework will be set over the weekend.

PE: PE kits should be in school every day. We currently do indoor PE lessons on Thursday. Children need an indoor PE kit. On Fridays, we go swimming children therefore need a swimming kit and a towel on Fridays.
