

**Prime Learning Challenge: Why can't a penguin live in the desert?**

<b>Breadth of Study</b>	1. Why does the boy take the penguin to the South Pole?
<b>Geography:</b> Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles	2. Which animals live in cold places like the North and South Pole?
<b>Science:</b> Keep an on-going record of the weather in their locality, they could include rain fall, temperature, cloud cover, etc. In addition more able pupils could find out the temperature in certain parts of the world.	3. Where do Meerkats live?
<b>Art:</b> Mixing paint to create hot and cold paintings.	4. What do we mean by hot and cold colours?
<b>P.E</b> Perform dances using simple movement patterns.	5. Why do people usually like going to hot places for their holidays?
<b>Pre Learning Challenge</b>	6. Why do we wear different clothes in the Summer and Winter?
Conference on 29.10.18 What do we know about the topic? What would we like to know? Collective planning sheet.	7. How can we create a penguin dance?
<b>WOW/Reflection</b>	<b>Reflection:</b> What would you rather be a meerkats or a penguin?
WOW – Lost suitcase recovered Library visit to research the topic. Visit from Sunny. Lost and Found DVD Reflection – Which place would you rather live and why?
