The Facebook page is: <https://www.facebook.com/edgeleysnowmen>

In the absence of some of our usual Christmas festivities and visits to Santa's grottos etc we wanted to do something fun for the kids of Edgeley that would be on their doorsteps and Covid-friendly. So, we are trying to get as many people as possible involved in an Edgeley Christmas Snowman Trail and would really appreciate your help in: -

- Raising awareness of the event and advertising it on your social feeds/ newsletter / parent communications.
- Encouraging the children to make some snowman for their homes or for a school display or both. It would be lovely if this could be incorporated into some fun school time activity but appreciate that this is not always possible.
- Letting parents who have a snowman on display know how to register their streets. It is just a name (first name only fine), Street name and postcode we ask for. No names will be displayed on the online map – just a pin on the street.

Any snowman counts – homemade or shop bought but we are encouraging people to get craft, junk model, upcycle etc.

Here are some pics of simple snowman ideas but Pinterest is full of others. Snowman can be displayed, painted on windows, chalked on walls, we don't mind but would love to see as many as we can.

The Facebook page has events set up for 18th – 24th Dec and will be the place where information, updates are shared.

We hope you will get involved and Merry Christmas to everyone.
