Introduction

This Policy outlines the framework for Our Lady's Catholic Primary School to meet its duties and obligations to provide a high quality education to all of its pupils, including pupils with special educational needs and / or disabilities.

Our Lady's Catholic Primary School therefore intends to work with Stockport Local Authority and within the following principles, which underpin this policy:

It is important that learning experiences lead to consistently high levels of pupil achievement, and we believe that this is best achieved when children engage in experiential, collaborative tasks that are well matched to the individual needs of each learner.

At Our Lady's Catholic Primary School we ensure that the needs of all children are met through an enquiry based school curriculum. We also make active use of assessment to make sure that each child receives the challenge and support that is needed, to help them to make progress.
